

CALLS FOR EXPRESSIONS OF INTEREST

Invest Saint Lucia (ISL), as the official agency responsible for investment generation, promotion and facilitation, is seeking to improve on the entrepreneurship landscape in Saint Lucia.

In supporting this drive, ISL is considering a new initiative - the use of an ISL factory shell as a dedicated shared incubator space to encourage the growth of micro and small businesses.

Thus, ISL is soliciting Expressions of Interest (EOI) from Micro and Small Enterprises (MSEs) for the establishment of this space.

Responses to this EOI will be used to determine the scope of this project, which is not limited to any particular sector.

All interested MSEs are asked to complete the information in the following link on or before Wednesday January 10, 2018.

All completed forms may be emailed to info@investstlucia.com with the subject line 'Expression of Interest Business Incubator'

Completed forms may also be dropped off at our Waterfront or Vieux-Fort Office.
